

## **IMPORTANT INFORMATION FOR PROM 2017**

**Saturday, May 20, 2017, 8:00-11:30 p.m.**

**Hornblower "Inspiration" Boat**

**1800 N. Harbor Drive, San Diego**

*We want senior and junior to have a safe and wonderful time at this year's Prom. Parents, please reinforce the following to your students:*

- You must bring a current photo ID to be admitted to the dance.
- **Check in begins at 8:00 p.m., however, ALL students must arrive before 8:45 p.m. sharp!** Don't miss the boat! The boat will return at 11:30 p.m.
- If you are driving yourself to the dance, please drive carefully.
- This is a school function. All school rules apply.
- Students bringing guests from schools other than SDA must enter the dance together. All guests must have a valid ID to be admitted.
- We do check for alcohol and other drugs at the dance and may be using breathalyzers randomly.
- Only bring essentials into the dance. We strongly suggest you leave personal belongings in your car or at home. Do not bring a backpack or other large bag.
- Shoes are required to be worn at all times so plan accordingly – if your heels are high and you don't want to dance in them, bring a second pair of shoes to wear while dancing.
- Parents, please speak to your student about making good choices both before and after the dance.
- Please be advised we do check "party buses" and limousines for alcohol and other drugs when they arrive at the dance.
- Needless to say, alcohol and other drugs are strictly prohibited.
- The boat returns at 11:30. All students **MUST** be picked up at that time. Parents are asked to be aware of how their student is getting home, and to be certain that each child's ride arrives before 11:30 p.m. Please do not leave your student (and the administrators) stranded at the dance!
