

# 2018-19 PARENT VOLUNTEER FORM

## We're Collaborating to Enrich Every Student's SDA Experience!

Parent volunteers play a key role in supporting our teachers and staff, so they can focus on doing what they do best – providing an exceptional quality education. Please take a moment to identify how your interests and expertise can contribute to the success of our school. You will be part of a larger team, so do not worry about having to take on a task all on your own. This is a great way to meet other parents and give back to our school community.

**YES! I am ready to make a difference!** (Check all that you're interested in...no obligation!)
